-
1. "Office" properties refer to real estate that are predominantly used for office purposes, whether in existence by themselves as a whole or as part of larger mixed-use developments and "light industrial / logistics" properties refer to real estate that are predominantly used for light industrial, warehouse, and logistics purposes, the majority of which may have an attached office component.
 2. "Retail" properties refer to real estate that are predominantly used for retail purposes.
 3. "WALE" is defined as weighted average lease expiry by headline rent based on the final termination date of the agreement (assuming the tenant does not terminate the lease on any of the permissible break date(s), if applicable).
 4. Classified as Continuing Leasehold or Perpetual Leasehold. A Continuing Leasehold is agreed in principle for an indefinite period of time but has a fixed ground rent paid to the land owner which must be re-agreed at the end of a certain period, which may result in a termination if the leaseholder and the land owner do not agree on the new ground rent. A Perpetual Leasehold is for an indefinite period of time and the ground rent has been paid off perpetually (which type of leasehold is most similar to a freehold situation).
 5. Valuation as at 31 December 2018 for the IPO Portfolio and the property in Ivrea, Italy. For the 22 newly acquired properties, valuations are recorded at their respective purchase price as the best approximation of fair value.
 6. Cromwell Property Group is a stapled group comprising Cromwell Corporation Limited and Cromwell Diversified Property Trust (the responsible entity of which is Cromwell Property Securities Limited).
